

KENDRIYA VIDYALAYA-IIT CAMPUS- CHENNAI

2017-18

CMP REPORT

1.ORIENTATION PROGRAMME FOR GRADE I PARENTS

2017 Session began on a very pleasant note . On 04-1-04-17 the School arranged a meeting for the parents of Grade I to acquaint them to the rules and regulations of the Vidyalaya. The meeting was initiated by the HM, and presided over by the principal of the vidyalaya. The teachers of grade IA Band C were introduced, and the programme explained in detail what was expected of the parent and child for the development of a healthy all round personality!

95% of the parents attended the event. A special councillor addressed the parents during the afternoon session. Parents were given tips of good parenting by a professional councillor . This was appreciated by one and all!

The students arrived to join mainstream learning on the in the morning assembly! They were welcomed by the senior most students of primary Grade V

2. The School Readiness Programme

The readiness Programme for students as always has been designed to create a joyful transition from kindergarten to regular school. Teachers have a well-planned kit of activities and hands on material to make it interesting for all!

The objectives are to improve children's school readiness by enhancing their language, reading, and social skills. Well planned activity sheets were made ready for the students to enjoy their first entry to the Vidyalaya. These are documented in files by every child.

3.Clubs continue their effective work -

Various club activities were introduced in the previous session by the dynamic principal. Now four amazing clubs for the primary section are back on track. Each teacher bubbling with enthusiasm and energy creates ample opportunities for students to develop their talents and polish their skills . The school as of now has-

The Literary club- for the bookworms.. The Eco club for the outdoor enthusiasts, The health and nutrition club for the future healthy citizens of this nation and an Art and Craft club - for the born artists to showcase their talent and strengthen their skills.

4.School remedial measures

Remedial classes are often used to stress the basics in a subject such as math or language. They can help students who are having problems with advanced concepts to fully understand the basics of a subject. The school runs regular classes for remedial teaching on everyday after school. One day assigned to one subject! Between 2:40- 3.40 pm . All the hand picked students who need special care and given personal attention and assisted to make it easy for them to cross the expected milestones set for the class. A regular time table is set and all students are dropped and picked up by their parents.

5.FESTIVALS CELEBRATIONS AT SCHOOL

Eid-

The primary section had a special programme lined up for the holy month of Ramadaan. And post Eid, a grand special assembly was conducted to enlighten the students about the importance of fasting and the universal brotherhood message of the Muslim religion was the message of the day. A special prayer was also done, in their traditional style. Rakshabandhan- 04- 08-17

The festival for brothers and sisters! Another very special festival was celebrated in a grand manner during the assembly . The students listened in rapt attention to the tale of “Raakhi ki mariyad” and the girls tied raakhi to their “brothers at school! The grade V students sang a song , dressed in colourful clothes and demonstrated how a “Thali” is decorated for the pooja on Raksha bandhan. All through the month of August, the students learnt and made beautiful “Raakhis, with eco friendly materials and recycled old buttons and trinkets to make their raakhis. The festival had this social theme- “Let’s go green and Reduce reuse and recycle “

6.The Primary Resource room

A **learning resource centre** is a facility within the school, containing several information sources. The Learning Resource Centre helps teachers to interact and plan out their tlms each month. Demo classes are also conducted here.
